Dear Mr. Mason:

Enclosed are the Chevron Chemical Company responses to the site reporting requirements of the "Comprehensive Environmental Response, Compensation and Liability Act of 1980".

Enclosed are 430 individual site reports in duplicate, a total of 860 sheets. We are reporting all sites which we have knowledge of at this time that might fall under the law. Where we have indicated "none" for releases, it could also mean "unlikely" or "minimal" or "none we have reason to know about".

Sincerely,

A handwritten signature in cursive script, appearing to read "F. W. Berryman".
